

AGM JULY 2018

The AGM was held Wednesday 18th July 2018 at the Herne Bay Angling association meeting room.

Members attending: Keith Silk, Dominique Kennett, Jane Clayton.

Apologies were received from Alli Gibbons, Nicole Silk.

The minutes of the 2017 AGM were accepted.

The Chairmans report is published on the club website.

The Treasurer reported that the clubs finances are in a better position now.

During the year the club found itself in financial difficulties as the coaching costs were proving to be very expensive. Unfortunately this meant that we had end the services of the paid coach and increase the club evening fees.

Committee

Owing to the fact that only 3 members turned up to this AGM, we were unable to conduct committee elections therefore the committee from last year will continue until the next AGM.

AOB

A training day has been booked for Saturday 1st September. Peter Barwell has agreed to lead the day

The club was not successful with the grant application to Sport England for the proposed taster sessions for over 40's, but we have decided to run a course anyway.

Grateful thanks to Jo Yeates for her help in providing very professional accounts for this application.

The Silk Award has been given to Stuart Harris for his successful work in developing the clubs sabre section with some very good result this year.

The meeting closed at 8.30pm.
