COVID-19 Symptoms

Club members should not attend club sessions for whatever purpose or reason if they are experiencing any of the following symptoms:

- Fever/high temperature
- New, persistent, dry cough
- Shortness of breath
- Loss of taste and/or smell
- Diarrhoea or vomiting
- Unexplained muscle aches/pains

Club members should also refrain from attending if they have had any contact during the last two weeks with anyone who has, or who is suspected of having Covid-19.

Mallard Fencing Club committee members have consulted with the relevant bodies and authorities and have put in place procedures and facilities/provisions aimed at minimising the risk to all members of contracting Covid-19 as a result of attending the club. Every effort has been made and will continue to be made to do everything possible to ensure the safety and well-being of members attending the club.

However, every member who attends the club, does so at their own risk.

DISCLAIMER

I have read the above and understand and accept that Mallard Fencing Club committee members will not be held responsible or liable if the Covid-19 virus is contracted possibly as a result of attending the club.
